**Re :- Advertising / Sponsorship for Vine Ministries.**

Please find attached an exciting and inexpensive opportunity for your business to sponsor the outreach of Vine Ministries through advertising on the Vine Ministries website.

Vine Ministries was established in 2001 to provide an opportunity for ministry and mission groups to advertise their mission work on the internet. This service is for the wider Christian community, ministry and mission groups as a whole.

Please find attached a brochure with information regarding the work of “Vine Ministries”. Vine Ministries is a not-for-profit outreach which aims to further promote Christian mission and ministry work.

Ministry and mission groups are able to submit their information for the site free of charge, allowing people to be further informed of their mission and outreach. The setup of this service costs money for items such as the website itself and the administration costs.

People viewing the site have the option to make a donation to the group displaying their information on the site. This money will go to the group they designate whereas I am seeking other businesses to advertise on the site and provide the money to run the website itself.

I hope that you will find this information informative and will consider how your business may utilise this advertising opportunity to support the outreach of The Vine Ministries.

For more information, alongside the brochure, view the website – [www.vineministries.com.au](http://www.vineministries.com.au) where you can visit existing websites of the groups and see how they’re utilising the website.

Thank-you for your time and I look forward to hearing from you soon,

Chris Hodge  
The Vine Ministries
